

EOPSA

~ EUROPEAN ONSHORE POWER SUPPLY ASSOCIATION ~

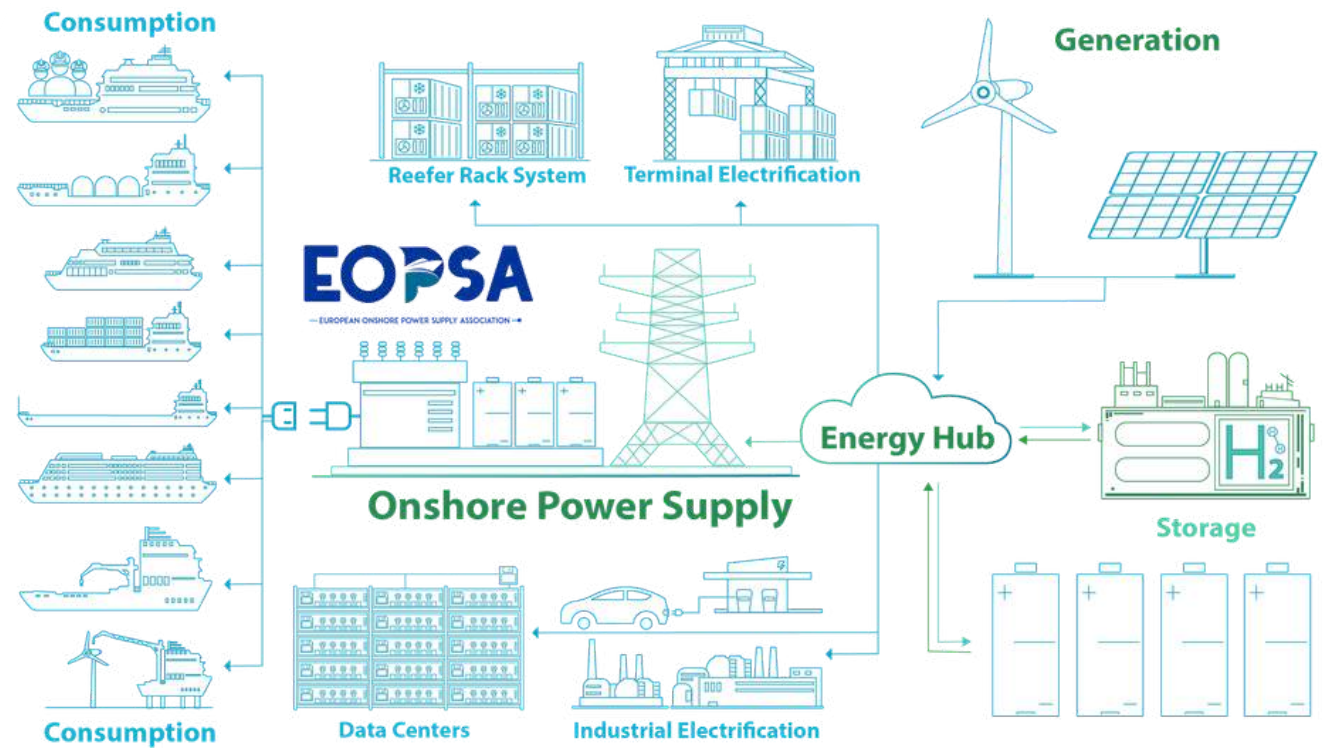

WHY EOPSA!

LET'S GET CONNECTED

THE AGE OF OPS

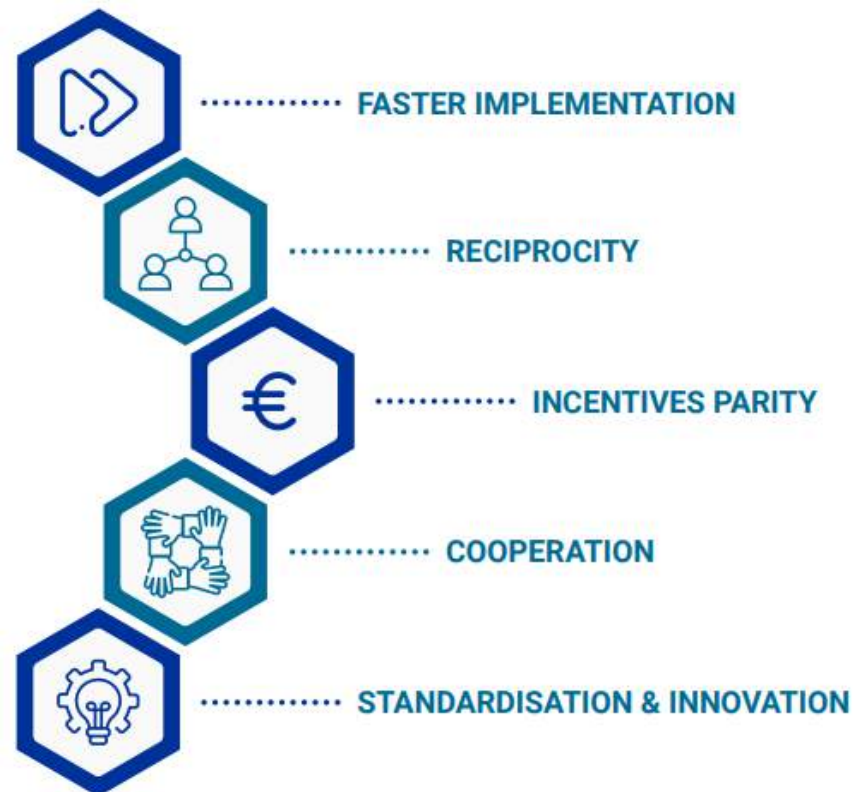

- OPS is key to port decarbonisation, cutting emissions at berth to zero.
- Beyond AFIR, maritime battery take up creates a new OPS ecosystem.
- OPS is a core component of the age of electrification.

#1 EUROPEAN OPS NETWORK

- ✓ Founded in 2021 to accelerate OPS deployment across Europe.
- ✓ The #1 reference, active with EU institutions.
- ✓ Connecting policymakers and practitioners to turn strategy into impact.
- ✓ We bring together those who can.

OPS LEADERS & EXPERTS COMMUNITY

#1 OPS Influence Across Europe

EOPSA BOARD MEMBERS

A governance structure combining industry, port and energy expertise at European level.
